-  **LARGE SPAN APPLICATIONS**

Safeguarding your health

Greenguard Gold Certification standard is designed to define low-emitting materials suitable for environments where people, particularly children and sensitive adults, spend extended periods of time, in particular schools and healthcare facilities.

LOW CHEMICAL EMISSIONS
Made of materials with low chemical emissions

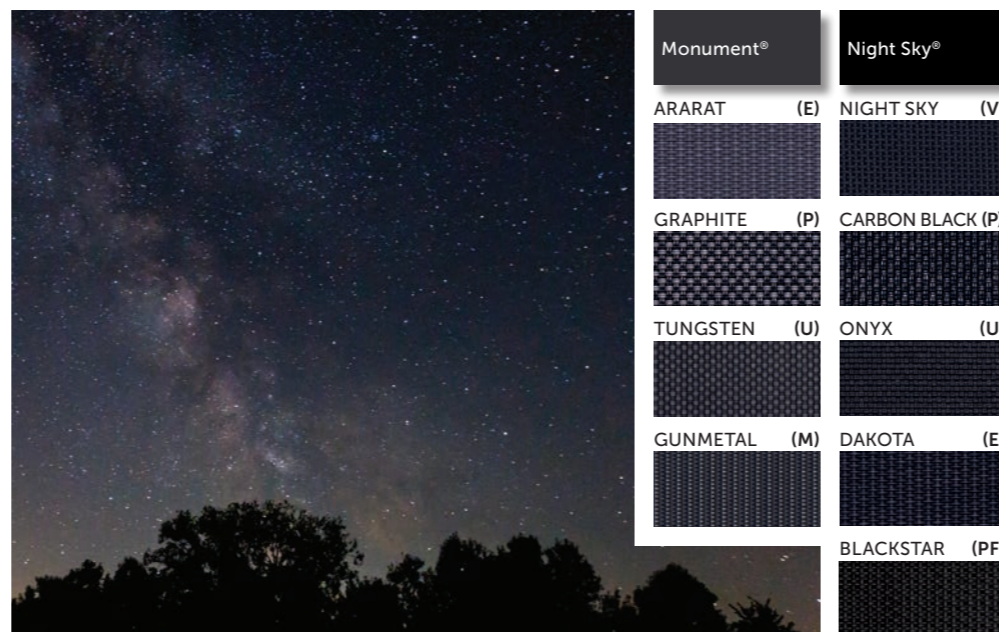

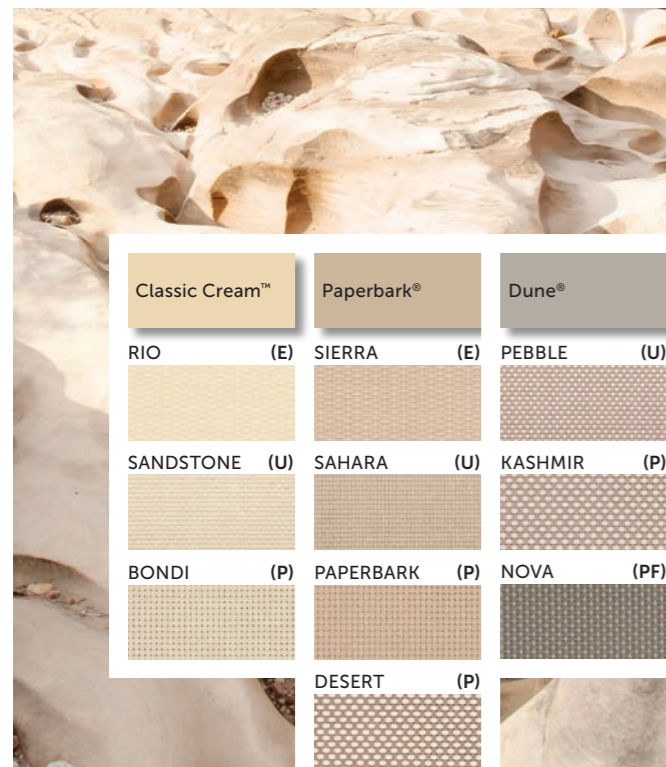

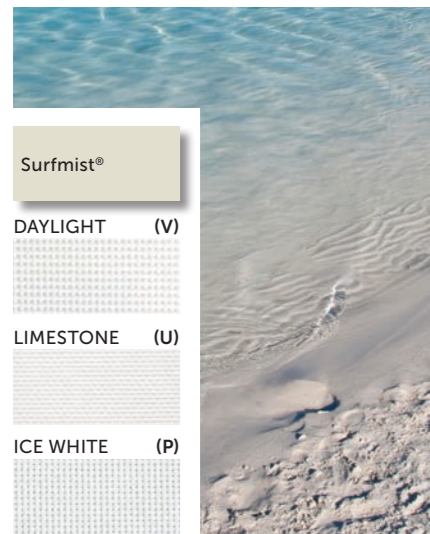

CLEANER AIR
The low-chemical emissions ensure the air you breathe is cleaner

RIGOROUSLY TESTED
Meet or exceeds all required emissions standard

* Warranty conditions apply.

Inspired by Colorbond®

The VISIONTEX® range has been designed and is inspired by the COLORBOND® colour range.

When selecting your outdoor fabric solution, consider the colours on your exterior such as the roof, guttering, bricks and other finishes.

A range designed to complement and inspire your outdoor living style. VISIONTEX® colour range can provide endless possibilities.
